STEVE ZAKOMAROK

Few players have had a more sensational career in Victorian soccer than big Steve "Zakka".

In his first game in Melbourne three years ago he caught the State selectors' eyes and represented Victoria versus England at the M.C.G.

Prior to arriving in Melbourne Steve had played in Canberra, but it was in war time that Steve played some of his hardest football — in Germany. Steve, a Jugoslav by birth, had played senior football in Belgrade before the Germans occupied his country and took him away to Germany as a P.O.W. Here he spent some years and played all the football he could whilst held at Eintracht.

Steve was brought to Melbourne by Ivan Kuketz (President of J.U.S.T.) and it was with that club that he played for three years. Two years ago Steve again played for Victoria — this time in the Interstate Carnival in Melbourne, which Victoria won.

Steve's sound constructive inside-forward play did much to help Victoria to victory over New South Wales in that series.

This year Steve has been playing with Polonia, but we regret that he will play no more for some time for "Big Steve" has met with a bad accident. We are glad to say that it is not quite as bad as it could have been, but still was bad enough. Steve does a job of work at "Pucka", and in the course of his duties he came into conflict with an anti-aircraft gun and was run over by it. Steve came off second best, and was badly knocked about. But knocked about or not Steve managed to trip around Campbell Reserve last Saturday to watch his club.

Steve has a shot.

Steve has been of great value to soccer in Victoria, for he is a crowd-pleaser, and when he is playing the turnstiles click (if any). He has been criticised and he has been praised. Off the field he is well liked.

"Soccer News" wishes him a speedy recovery and an early return to football.

"Pick something a bit smaller than an 'ack-ack' gun next time, Steve."

EDITORIAL

All communications re Soccer News must reach The Editor, V. J. M. Dixon, 2 Cowper Street, Sandringham, S.8, by first post on Monday.

Few prophets would have hazarded a guess that Prahran — who until two weeks ago were pointless — would lower the colours of Polonia at Campbell Reserve last week. True, Polonia were without Zakomarok and Thomas in their forward line and Schipperhyn (transferred to Wilhelmina), but Pahran, having met all the top teams and remained pointless, now look like going through the lower teams.

South Yarra, who three times penetrated the Hakoah defence, were still unable to stop the Jewish team's attack, and lost by five goals to three.

Footscray City got something of a bath from J.U.S.T. and go down a notch on the League ladder below Hakoah, who go up two above Brighton. The seaside team put up a hard struggle at the Showgrounds, but lost to Juventus by the odd goal in three.

Box Hill, who lost to Prahran the previous week, were too strong for Moreland at Surrey Park and took the honours by five goals to three. The Moreland team now inter the relegation zone below Prahran, who have struggled out of it for the first time this year.

Sensation in the Second Division last week was the defeat of Yallourn by Park Rangers. Both teams were relegated from First Division last year, but Yallourn looked like a quick run back. Last week's defeat does not make it easy for them.

Sunshine City still are undefeated at the top, while their neighbours, United, with only one win and a draw and only one goal "for", look like going down to Three Division at the season's end. Only four seasons ago Sunshine United won First Division. What's the secret?

Undefeated Slavia in Third Division lost a point to Sandringham City last week and lose their top position to Hellenic, who (also undefeated) beat Frankston 7-2. Looks like Sandringham have still got a bit of kick left. The fight to avoid relegation in this Division is keen.

Bottom team, Footscray, took their first point from Fairfield last week, who now have a one-point lead from Frankston, who are second from the bottom.

In Fourth Division Maribyrnong have a clear 2-point lead now over Wilhelmina, who only managed a draw with Upper Yarra Dam. Ukrainia, with a walk-over from the defunct Shell Club, climb above Wilhelmina by one point.

On Sunday week, May 30, there will be a British Commonwealth versus "Rest of the World" game at Toorak Park, preceded by an Under 20 game of the same denomination. A donation will be made from the takings at this game to the Mayor of Prahran's charities appeal — a worthy cause and good football also.

PENALTIES ARE SPOILING SOCCER

There was a mild University Students' "rag" in Melbourne to advertise the University Fair on May 8. Some senior clubs may have been infused with the spirit of the affair, and so we had a crazy week in respect of the number of penalties awarded. In one First Division match there were four, three in another, and two in a third.

Nobody is going to be convinced that this is good soccer. The best game is one in which the referee is not playing a tune on his whistle, and the result is decided by clear-cut goals. There can be three factors underlying this state of affairs. Possibly referees are too harsh in penalising the accidental handling offence, but a foul committed in the area by a defender, even if there was no likelihood of a goal in the offing, leaves them with no option but to award a penalty, even if it does occur several times during the play.

The main cause is sloppy play by the defenders; they must know the punishment for such indiscretions should result in presenting a gift goal to their opponents. Some clubs are most charitable: they do not deign to score from them. The only other factor that cannot be ruled out is that some players must be unaware what constitutes an unfair tackle. If so, they are a decided liability to their side. Black looks are often given to the player on putting through his own goal accidentally: giving the chance to the other side by a carelessly forfeited penalty is much worse.

At one time to see a penalty awarded was the exception. Do not let it be the exception now to see none given.

INTER-VARSITY COMPETITION

University seem to have recovered from the slump that jolted them to the very bottom of the Fourth Division. The improved showing heightens their chances of regaining the cup, to be decided at the Inter-Varsity soccer carnival in Melbourne. The tournament is being played on the University Oval, usually sacred to cricket and the oval ball.

Combined with the sudden granting of the use of the excellent pitch adjoining the oval, and pavilion facilities for future League games, the club is now better off in this respect than most First Division sides. A portion of the huge fortune recently given for University sports activities by Sir Frank Beaurepaire should prove a benefit to University soccer. A strong

University side, as exemplified by "Pegasus" in England, who recently toured Hong Kong, is always an advantage to amateur soccer.

SNIPPETS FROM THE SHOWGROUNDS

The reason for the late start last Saturday was quite accidental, Juventus expecting their opponents, Brighton, to be wearing their familiar black and white hoops, had changed into dark blue heavy jerseys. Brighton, however, had thought along the same line, and came with unnumbered light blue shirts. Juventus had to change back after awaiting the arrival of different ones.

Referee, Mr. Dawson, had the whistle, and received the other type of "whistle" — the unwelcome Continental one of disfavour — only once. It was undeserved, and the game flowed smoothly although marred by the tricky wind.

One incident was noticed under the press-box near a corner flag. The linesman was performing his duties actually on the field of play; on one occasion the ball struck him well inside play and he was obliged to signal a throw-in.

The previous comment concerning the doubtful nature of Parvin's knee was unfounded. It stood up well.

BALL A'BEGGING

Former Moorabbin player, "Sandy" Sanderson, sent home to England for a small boy's football. Back came a full-sized 12 panel one. Any club secretary wanting same cheaply can ring "Sandy" at Students' Records, Melbourne University.

Editorial — Continued

It is about time for soccerites to start dragging the glad rags out and sending them to the cleaners, for four weeks from now the V.A.S.F.A. Annual Ball takes place at the "Royale" Ballroom. This ball is always well worth attending and this year we have the assurance of the Ball Committee Chairman, Charles Dodd, that it will be a really "slap-up" affair. This is not an occasion where it is necessary to turn up just to support the Association. Come along and meet all the soccerites you know under ideal conditions. Just imagine — a good band, beautiful supper and a perfect floor. Don't forget. Come and luxuriate at the V.A.S.F.A. Annual Ball — June 23 — at the Royale.

VICTORIAN COLTS TEAM

V.A.S.F.A. Council last Monday approved the formation of a Victorian Colts team to work under the direction of V.A.S.F.A. coach Len Young, and to enter the Fourth Division competition for the balance of the 1954 season. Further details will appear later.

I Met the Coach

By J. A. OLSEN

I met the Coach from England, and his very charming wife and family shortly after their arrival, on board the "Strathaird", and was most impressed with the calibre of a man who will hold the destiny of soccer's progress in Victoria in the palm of his hand. Mr. Young, I am sure, will make this game of "soccer" here in Victoria, by passing on to all and sundry the knowledge of his vast experience in the Old Country. His work amongst our Juniors and Schoolboys will be of major importance, and I am sure now that this is the starting point of a new era for our game.

We cannot, and must not, make the same mistake as was done by our former club officials after the First World War, when their attitude was "hang the juniors now, we have plenty of players now amongst the migrants." On the contrary, we must now put more and more effort in attracting the young native-born Australian to our game, and then, and only then, can we say that soccer is progressing and really mean it.

Mr. Young is here to do a job. He has not been brought out from the Old Country to get the young Aussie into the game, but to finish the job once we have got the material ready for him to work on. His work will cover many phases, the most important being coaching our coaches, coaching our schoolboys, coaching our State teams, and most necessary of all, coaching our school teachers, so as soccer teams can be formed in our schools with a teacher on the staff who will then know the game, its rules, and its finer points.

When you, too, meet Mr. and Mrs. Young and their lovely family, you will gain the same impressions and confidence as I did. They will be an asset to our game in Victoria — the whole family, not just Mr. Young. Young Brian (aged 17) and young Tony (aged 13) will get just as big a welcome to soccer in Victoria as their father. Even as you read this article, I can imagine that some junior clubs have ideas of these two fine young Britishers playing with their team.

Good luck, Mr. and Mrs. Young and family, from all the Junior and Schoolboy players in Victoria. We give you a big welcome, and we are all looking forward to meeting you.

APPLICATIONS FROM ENGLAND

The applications from former English League players for coaching positions in Australia make interesting reading. Lomiton, as well as possessing a coaching certificate, has a referee's certificate. He could be used most definitely in both categories!

Unfortunately, through the complete coverage of Australian soccer results in every English paper for the purpose of the football pools, some applicants expect a set-up resembling the League in England, and are unaware of our limited resources.

Letters to the Editor

TRARALGON TOWN SCHOOLBOYS SOCCER CLUB

The Editor,

Dear Sir,—The above Schoolboys' Club has been formed and have entered the Central Gippsland Schoolboys' Association in the Under 15 competition. As the expenses are heavy owing to the boys having to travel as much as twenty miles each way to play League games, I wish to appeal through the "Soccer News" for any boys' equipment that any soccer clubs or persons so interested may be able to help in the struggle to carry through our first season. We have played two games so far — one a friendly game against Morwell boys, whom we defeated by six goals to nil — and in our first League match drew with Moe Boys 1-1, but some of the boys had the disadvantage of playing in ordinary boots and shoes.

Trusting I will get some help from some of the prosperous clubs.

Yours sincerely, C. W. SPINDLER, Hon. Sec. T.T.S.S.C.

✣ ✣ ✣

The Editor,

Dear Sir,—I would like the following questions answered if possible:—

1. If two linesmen wave for offside, has the referee the right to ignore them and allow a goal to be scored?

2. By what law of the game may a referee grant a free kick to the opposing team when a player shouts to a team-mate to leave the ball for him to kick?

3. Has the referee any power to inform linesmen prior to the start of a match, where they are clubmen, that he will not take any notice of their appeals for offside?

4. What law states that players may not talk in the course of game, asking for the ball to be passed.—Yours in sport, Peter McMahon.

ANSWER TO ABOVE LETTER.

Dear Mr. Dixon.—With reference to the attached letter, I have been instructed to reply as follows:—

Question 1.—Yes.

Question 2.—Possibly Law 12 (m.). Much would depend upon the referee's interpretation of the circumstances.

Question 3.—Yes.

Question 4.—No specific law, but according to the circumstances action might be taken under Law 12 (m.).

Yours faithfully, T. J. DIGNAM, Sec., Vic. Soccer Referees' Assn

✣ ✣ ✣

Dear Sir,—Why not a pool for players? There are quite a lot of players signed for clubs not getting games.

Put them back on the market and let clubs in Third and Fourth Division use them. Some of them would play for other clubs, but don't know how to transfer. Publish it and let them know.

A list of players also wanting games could be published.

You chaps on the sidelines. From what I have heard you can do it better than the chap on the field, so what about it.

Don't be too proud and only play for First or Second Division. What about the Third and Fourth Division. Give them a go.

—J. Rickerby, President Moorabbin Soccer Club

Sharpshooter Charlie Petherick

By CHARLES DODD

Still holding the goal scoring record of Devon Wednesday League, Charlie Petherick, who has scored as many as 10 goals in one match, is still an attacker to be reckoned with.

Not only is he good in attack either at half-back or left-half, he can also acquit himself well.

He is now 38 years old and after 24 years of football is still a stalwart of Prahran. Until 1952, when he first came to Prahran, Charlie played in England for Plymouth City, Plymouth United, his R.A.F. Group Eleven and the Green Waves Club. It will be noted that he was one of those rare players whose skill was realised in his own home town, for he was born in Plymouth.

However, living in one of England's oldest sea ports did not make a sailor of him for he served his country with the air force.

His employers must also think a lot of him for he is holding down a manager's job despite only a couple of years in this country.

The game over here is, in his opinion, more rugged than back home, but he feels that the Continental style of play is becoming more popular.

Prahran's committee regard Charlie as a keen, reliable and resourceful player who, though not as fast as in former years, makes up for this deficiency with one of the keenest of soccer brains.

His style of play, his experience and knowledge is invaluable to the younger players. He forms a real backbone for the team.

A few more wins like that against Polonia last Saturday would give his team a lot of encouragement.

You showed you could do it, keep at it, Prahran!

A word of thanks to Ken Brown, Prahran's Secretary, for supplying information about Charlie Petherick.

"DID YOU KNOW?"

By JOHN OLIPHANT

There is a very good saying which goes like this: "Every man knows how to cast out the devil except the man who has him."

Well, every man knows what's wrong with our Victorian State team, and how it could be put right. But what a pity they can't all be on the selection committee. I am sure Mr. Nat Rothfield will agree with me.

✣ ✣ ✣

Moving around among the human mass at Heyington Oval, I overheard an argument: "Forget the men in the thirties, who are on the way out in any case, and concentrate on the teen-agers."

No comment!!!

✣ ✣ ✣

The Victorian Soccer Competition consists of four divisions, which may be compared to a plant — the blossom is in the First Division, and the roots in the Fourth.

If the roots dry up what happens to the blossom?

Well, when you are sitting in front of your fires this evening and enjoying a drop of Scotch, just think it over and see what you can do to help the Third and Fourth Divisions.

✣ ✣ ✣

How to become a successful club secretary and manager?

Here is the answer:

A. Buy a cine-camera which would supply evidence more impressive than any verbal criticism.

B. Employ a first-grade P.T. instructor.

C. Practise accurate passing (this costs you nothing).

D. Buy light-weight soccer boots which would improve nippiness and ball control without weakening shooting power.

E. Hold a "class-room" at least once a week. Of course to achieve and put into practise all these points one would need a good bank balance.

POT SHOTS

By "ONLOOKER"

OBSTRUCTION

How often in a match do you see the ball passing over the goal-line with a defender not attempting to play the ball, whilst he obstructs his opponent. Although this offence is regularly committed each week, it is extremely rare to see it penalised. On one occasion last season when a referee gave such a ruling he had to bear the annoyance of a large crowd to the extent that he required police protection before he could leave the ground.

MORELAND MYSTERY

After the first round of matches, Moreland, because of their 7-1 defeat of South Yarra, were top of the League, since then they have lost five successive games. It is hard to explain the reason for this slump, as on paper, Moreland appear to have a strong team, four of their line-up were selected as members of the recent carnival side. With only two points from six games Moreland have only South Yarra beneath them on the League ladder.

CENTRE-FORWARDS MOVE

A couple of transfers announced last week are interesting moves. Return of Bill Copeland to First Division football will make things harder for centre-halfs. Schipperhyn's transfer to Fourth Division promotion-seeking Wilhelmina, should prove a boon to that side. Polonia badly miss this bustling sharpshooter.

STATELESS!

Mention in last week's club notes of the establishment of a supporters' club said that badges are being worn by supporters in nearly all States, also in New Zealand and Tasmania. The "apple isle" may be separate from the mainland, but it is still a State, ask Tom Jack and his boys if they remember playing that State recently.

TODAY'S GAMES

The winner of the Hakoah-J.U.S.T. meeting will be one of the favourites for the League championship. Both teams have sound defences and each side has scored freely this season. Perhaps a drawn game is likely. Prahran are home to South Yarra and this might be another close game. The Como Park side provided the surprise of last week's round by defeating Polonia. Also, South Yarra improved on recent displays by giving Hakoah a close game. However, I lean to Prahran in view of their two successive wins. Two of last week's beaten teams in Moreland and Polonia meet and here I suggest Polonia might redeem themselves for last Saturday's effort.

Box Hill travel to Brighton and though on the positions of the League ladder Brighton are favoured a surprise result could eventuate.

In the remaining game Footscray are home to Juventus and providing the rough ground does not upset the national team's type of play, they will probably win by a comfortable margin.

The Voice of the Third Division

By RAY CARLSON

In discussion with officials of the Moorabbin Club last Saturday, I found that they, like many other clubs, found it very difficult to uphold their obligations over the Easter holidays, with two-thirds of their players away on holidays. The selectors developed a head-ache which has not quite abated yet.

This trouble goes on every year and the V.A.S.F.A. does not seem to worry, so I think it's time the clubs did something about the matter themselves. Secretaries, you have the answer. Do something, or am I going to hear the same old moan year after year!

Moorabbin Club was founded in 1949, and ever since its inception Jack Rickerby has been its President and George Ellis the senior Vice-President. Keep up the good work, fellows. This club fields three junior teams in addition to their seniors and reserve. On the senior side this year they have had a run of outs, finding (like all the outlying clubs) it hard to get players, but are now starting to establish a strong senior side with quite a few good, useful players.

Having two good grounds to play on Moorabbin could cater for more junior and senior teams if it could obtain players. Subsequently, there is a ground idle every Saturday. Many other clubs are in this same position.

Early in the season they were fortunate in signing up Tom Hawley, from Port Vale, but an old injury re-occurred and so bad luck for Moorabbin. They lost a valuable player.

Last year their Under 15 team won the Fawkner Cup. This being the first trophy to go their way, may there be many more for these keen workers and their equally keen juniors.

This year fielding Under 14s, 15s and 17s, they, once again, are doing their bit towards the code. It's a pity more and more clubs would not follow this good example. Of these three junior sides I find that the Under 14s are to the fore, while the remaining two are not doing so good. Never mind, lads, stick together and develop yourselves into a stronger side next year. Only by sticking together can you hope to make yourselves a force to be reckoned with.

Looking at the Third Division I find that the three bottom teams are the only ones fostering juniors. This is a poor outlook for soccer. When are the powers that be and the clubs themselves going to wake up and think of the future by making all clubs foster and maintain the life-blood of this grand game — Juniors?

Results of Moorabbin Club, Saturday, May 8: Seniors — Moorabbin 8, def. Coburg, 0. Reserves — Moorabbin 5, def. Coburg, 0. Under 14 — Moorabbin 1, lost to Brighton, 2. Under 15 — Friendly game. Under 17 — Moorabbin 4, def. I.C.I., 2.

NEWS FROM TASMANIA

From BOB EASTERBROOK

So, Hobart top the League with five points for three games, followed by Caledonians, Metro and Wanderers, with four points for the same number of games played. At the other end are Bohemians, with "one alone".

Last week Bronli Park were defeated by A.W.M. by two goals to one.

The Hakoah (Vic.) versus Caledonians return game at Hobart was practically settled between the two clubs — unfortunately. The South Tasmanian Associature had pledged itself to games between the North-west Coast v. North Coast on June 12, the winners to meet a South Tasmanian Select side on Monday, June 14 — so an alternative date will have to be secured if possible.

The officials and players of this grand combine are assured of a great welcome by all sport loving fans, and I have the assurance of Mr. Tuting (Chairman of T.S.F.A.) that he will endeavour to give us all the support possible. I venture to suggest to my many Melbourne friends (are you listening, Bill Fleming) to disregard the Adelaide Carnival Results as far as this forthcoming game is concerned.

FLASH! Rattray, Smith, Alexander and Arnott, of the Caledonians, are not for sale to Victoria or New South Wales. Poachers, beware!

LATROBE VALLEY ASSOCIATION

The end of the first round of League matches was reached with the playing of last Saturday's games. The games resulted as follows:—Sale United (2) lost to Traralgon Tigers (3). Morwell (3) defeated R.A.A.F. East Sale (1). Moe United (7) defeated Yallourn (2).

Morwell are still the League leaders and have conceded the first goal against them on their own ground. With Moe, who beat Yallourn 7-2, it would appear as if the League will finish between them.

Sale United, against Traralgon Tigers, were not playing as a team, though individually the players played better. Ford, playing his first game for Sale, has won his place in the team, and he scored a lovely goal from 40 yards, that left Messery, the Traralgon goalie, hopelessly beaten in mid air. Messery and Crojevic (Sale goalie) gave good displays, saving in mid air, full length diving and fine clearances off the goal lines.

The Cup competitions in the Latrobe Valley are to start on July 10 with the seven League teams; also it is hoped Gas & Fuel, Morwell, and Eastern Hostel, Yallourn, will be entering teams. The League teams will be able, provided they have enough players, to enter a Reserve team, but the players will not be allowed to change from one team to another. It is hoped to see a record of 12 teams for the Morwell "Advertiser" Shield, and the "Battle of Britain" Cup.

AROUND THE CLUBS

FOOTSCRAY CITY

Our winning run continued with a 3-0 victory over South Yarra at Fawkner Park, but was stopped by Brighton last Saturday at Henry Turner Reserve. The result was 3-1 against Footscray City, but I suggest that a draw would have been fair to both teams.

Our early season optimism was justified and the fear of relegation has faded from our minds. A thrilling hope has gradually taken its place — "First Division Champions." It is no more a dream: it is now a definite possibility. The responsibility lies with the players. Regular strenuous training is the answer. The fittest team wins. The fit man plays best, and enjoys his game. He finishes fresh, too. What about it, lads?

An opposing side which plays clean, attractive football ensures a scientific game in which the winner is the team which is the most skilful. J.U.S.T. will provide just such opposition today. Go out, Footscray; try to play good, intelligent football always, and you will win.—"Colin".

What makes soccer "back home" more enjoyable for the spectator than here "down under?" Is it the standard of play or the big-time atmosphere and crowds? Perhaps the reason is the lack of entertainment here at half time. Remember all that was done over there to please the watcher during that empty quarter-hour. The band recitals, dancing displays, records, community singing, etc.? The defect will soon be remedied — if other clubs will follow the example of Footscray City.

On Saturday, at the Melbourne Showgrounds, the "City" play Juventus. Here are two first-class teams, and the game is sure to be a thriller. At half time will be heard the Scottish bagpipes — the most exciting music in the world. On to the track will march the Melbourne Ladies' Pipe Band clad in colourful, spectacular Victorian Stewart tartan highland dress. Fifteen lovely girls, playing the traditional, stirring music beloved by Scots in every part of the globe. Before the game Pipe Major Margaret McDonald will lead the girls once around the track, and then they will line up to form a guard of honour as Footscray City take the field. The Italians will have to fight hard, for the Scots, and others, in the Footscray team, inspired, will "play like the devil" to win. One thing is certain — the crowd will have an enjoyable day.

On Wednesday, May 19, our captain, Bill McIntosh, married Miss Lorna McLeod. The fact that he is making a one-day break in his honeymoon to lead the lads in the Juventus match is an example of true club loyalty.

Footscray City owe a lot to "Bill Mac." and on behalf of all concerned I say "Thanks, Bill, good luck to both of you, and may you have many happy years together."—Colin.

FLINDERS NAVAL DEPOT

Well, at last a few words from the Flinders Naval Depot Club. We got away to a very poor start losing 5-1 in our first game and 5-0 in the second game. However, since then we have come on well and at the moment are lying fourth in the table. Our team is working together well and seem to be getting better each game we play.

The inevitable drafting has taken toll of our players. The week before last we said goodbye to our popular outside-left, Don Hartford, and this week young Dalton played his last game for us and, incidentally, his best. We of the club wish them the best of luck at sea and trust it will not be long before they are back with us as we feel certain we will need them next year in Second Division.

Our game this week against Williamstown is to be played at the depot to coincide with the opening of the Memorial Chapel. We thank Williamstown sincerely for changing this fixture, and trust that any soccer fans who are down here on that day will see a good, clean game.

We have down at the depot now a club called the Flinders Naval Depot Sportsman's Club, which is situated at the rear of the wet canteen for those that know Flinders Naval Depot, and is open after the game for all soccer teams, their wives, and supporters, for beer, for tea and refreshments. We trust this will be a satisfactory arrangement for visiting teams, and in some way repay the hospitality we have received from other clubs.

We hope our No. 1 supporter and wife of our very popular secretary, Mrs. McKenzie, is soon well enough after her illness, to come and cheer us on in her broad Scotch voice.

Our game on Saturday was against Dandenong and ended in a clear victory for the Depot, 6-1, and both teams are to be congratulated on a fine game under atrocious conditions.—B. A. Bennett.

MOORABBIN CITY

Our game against Dandenong provided thrills right up to the last minute. We had the play in the first half, but it was all Dandenong's in the second. Unfortunately, Dandenong failed to convert a penalty and so lost two points instead of one. The least said about the cricket pitch the better.

Best for Moorabbin: Carter, Pluitz. For Dandenong: Centre-half, centre-forward.

We still need players. Wingers, wing-halves and backs; also a goalie.

The following postponed First Division games will be played on:

BRIGHTON v. HAKOAH

AT ELSTERNWICK PARK.

MORELAND v. PRAHRAN

BOX HILL v. POLONIA

MOE UNITED (Latrobe Valley Association)

The Ukrainian Club will probably be wondering what kind of a team are Moe United and how good are they. Just a little reminder that may interest them — we won the Walter Ingram Cup last season and finished up runners-up in the premiership list being one point behind the leaders, A.P.M. Maryvale, who seem to be a bogey team to Moe. We have failed to beat them up to date. Last week they defeated us 1-0 causing us to lose our place at the top of the ladder to Morwell, but we were unfortunate not to have the services of our two best forwards (Hammond and Church), who were injured in the game against Morwell the previous week. Hammond is available this week, but Church probably won't play again this season as he had a cartilage misplaced and can only manage to hobble around now. Young Cardonna, our 16-year-old centre, is playing well and has scored five goals out of our 17 goals for. He is our leading scorer with Hammond not far behind with four.—W. Wood.

PRESTON

Deplorable is the only word that can describe the match against White Eagles. In a game marred by unnecessary incidents, the arts of soccer were conspicuous by their absence. Unless this team learns to control unnecessary displays of unsportsmanlike conduct, there will be no pleasure in playing for any team obliged to oppose them. A word of praise to several players whose self control averted what might have been open clashes.

Now a different matter regarding the council's action in depriving this club of the services of E. Smith to let all clubs interested in juniors, that Preston is determined to fight this case to a fair and constitutional decision.—H. Battenham.

SOUTH MELBOURNE RESERVES

The game opened with South Melbourne Reserves having the advantage of a strong wind. Good play and excellent passing was witnessed and, although both sides tried hard to score, they could not penetrate the defences. The second half was faster and beautiful team-work was shown by South Melbourne Reserves, who opened the score with a terrific shot from Rey, the centre-forward. Sunshine equalised through the 'keeper failing to hold the ball. South Melbourne then went to the front with another good goal from Rey after a most beautiful centre by the left-winger, who had been playing remarkably well all the afternoon. After several minutes of mid field play, Sunshine got a gift goal through one of South Melbourne's defenders putting the ball into his own goal. We again say thanks to a good, clean side, and if South Melbourne can keep this team, they should go a long way. No individual can be named as the best player because the whole team played really well. Final scores: Sth. Melbourne Res. 2; Sunshine City Res. 2. —"Standby".

ST. ALBANS

St. Albans Soccer Club was formed in 1953 and affiliated in 1954. The Shire of Keilor (of which St. Albans is part) gave us a lot of assistance in securing a ground at Oberon Avenue.

So far we have played six matches, winning them all, and scored 50 goals against five. Most of the team is composed of Poles and Jugoslavs, but that doesn't mean that other nationalities are not welcomed, because

we have German, Maltese, Italians, Swedish, Australians and English, playing and non-playing.

One of the best players is Tony Frist (nick-named "Taxi") at inside-left, who can cause a lot of headaches to opposing teams. Until now he has 16 goals to his credit, and this player is very promising.

Captain Milencovik was missed in the last two matches owing to injury, and the club wish him a speedy recovery.—J. A. Bartolo.

UNIVERSITY

A fine recovery by Heidelberg enabled them to draw 4-4 with the First Eleven at Heidelberg.

University started brilliantly, scoring four goals within 20 minutes. However, Heidelberg became revitalised and, attacking strongly, scored twice. Half time scores: Heidelberg 3, University 4. Both sides had many chances in the second half but whereas University team-work deteriorated, the home team finished strongly and eventually equalised despite Wan's fine game in the University goal. Final scores: Heidelberg 4, University 4. University goal-scorers: Chong (2), Okali, Lea (1).

A classic first goal helped the Second Eleven defeat Heidelberg 3-2 at Princes Park. Reid found Smith with a University goalkick and Baxter put through the resultant centre from 35 yards out on the run. The goal took exactly three kicks to cover the ground and gained University a brief lead before Heidelberg equalised. In the second half University, with goals from Clarke and Smith, were soon in a winning position, but had to withstand a strong Heidelberg finish.

The return of Bowman should greatly strengthen the First Eleven and we hope to surprise Wilhelmina at University Oval next Saturday.

[Send in the Inter-Varsity report when ready, Mr. Dobb.—Editor.]

UPPER YARRA DAM

In a fast-moving Fourth Division match at Surrey Park last Saturday, Wilhelmina and U.Y.D. struggled to a 3-all draw. The home side bagged the first goal within a few minutes of kick-off, and three minutes later Gruenberg equalised for the Dam. Just before half time, Wilhelmina took the 2-1 lead. Immediately after the interval, Gruenberg again netted for the Dam to even the score. The two sides maintained both attack and defence in nice balance, the left-wing and centres in each team doing a creditable job. After another goal each during the first half-hour after interval, Wilhelmina pessed solidly in pursuit of the odd goal, but did not manage to penetrate the visitor's defence.—E. F. Dawson.

WHITE EAGLES

White Eagles last week visited Yallourn (who have been unbeaten up-to-date). Right from the kick-off both teams pressed hard to take the lead. Dobric made no mistake with a beautiful goal after only six minutes of play. The White Eagles' goalkeeper was in dazzling form and kept Yallourn from scoring, but just before half time, met with an accident to his hand and had to be treated by a doctor.

Handicapped with the loss of their brilliant goalkeeper, and playing with ten men, it was obvious that the White Eagles would be hard-pressed, and Yallourn ran out winners by eight goals to two. It was a good performance nevertheless, on the part of the White Eagles, and if it had not been for the loss of the goalkeeper the result would have been closer. We would like a special mention to referee, Mr. Slater, for his handling of the game. Our Reserve team had a very good game and did well to draw three-all with the home club.—V. D. Markovich.

JUNIOR SECTION

VICTORIAN JUNIOR NOTES

Now that the season is well under way clubs are beginning to sort themselves out and for matches played on May 22 the Under 20 Brighton v. Juventus seems to be the match of the day. Both these teams are very good, but I think Juventus will take the points. Sunshine United and Footscray City should be a fairly even game, but Footscray City are still well down the ladder.

In the Under 17 the local grudge game — Sunshine United v. Sunshine City — will be a game well worth watching. Sunshine City are on the top and Sunshine United laying third.

In the Under 15 Sunshine United v. Pascoe Vale should be the game of the day in this Section, although Pascoe Vale started well, they are slipping a bit.

The outstanding team in the Under 14 is Brighton "A" and they haven't lost a game yet. They play Prahran, who are a consistent team and a decision here will be close.

It is interesting to note that in Sunshine alone two clubs field seven teams between them. If every club in the Senior body followed their example soccer will not have a dearth of future players. However, some clubs are very definitely not junior minded and it will be interesting to see how many of these have good teams in about six or seven years. My tip is the clubs with the juniors will have the future teams.

It is regretted South Melbourne had to disband their Under 15 team. However, one of their most promising players has transferred to Essendon.

SECRETARY'S NOTES

RESULTS.—It is pleasing indeed to mention in this column that all results of games played last Saturday were telephoned to the Official Receiver of Results. This is by far the best effort this season.

BROADCAST.—Many junior fans will be wondering what became of the Junior Association's 3-minute broadcast over 3XY last Saturday night as part of the "Soccer Round-up" session. Unfortunately the 3XY compere was not notified that the Junior Association had to be allotted three minutes each Saturday night, and thus he did not provide for it in the programme. We have it now from the Producer, Mr. Oliphant, that from this Saturday we will be on the air, so listen to it, junior soccer fans, and don't forget those results from 5-15 to 5.45 p.m., to be phoned to LB 1444.

As a result from our previous broadcast there is strong possibilities that the Williamstown Club will be entering an Under 15 team in the very near future, as several lads from the Newport district are now keen to get into a team after hearing the broadcast.

TRANSFER.—Teddy Tarr has been transferred from Sunshine City to I.C.I. (Deer-Park).

BAD LANGUAGE.—Still a further report has been received by the Junior Association as to bad language by players on the field of play, and by the very same club, too. This club will be brought before the Executive Council.

ESSENDON CLUB (Under 15)

Last Saturday, May 15, Essendon played I.C.I. at Fairbairn Park. The game commenced late, and most of the Essendon boys were already tired after shifting both goals and remarking the ground.

From the start Essendon were in attack, and McCullagh was unlucky not to score when his shot hit the upright within 20 seconds of the start. Essendon were already winning 2-0 when Caldow came on to build the team up to 10 men. When the whistle blew for half time the score stood at 4-0. In the second half Suttle again came out of goal, Graham taking his place. Many shots were sent in, but most went out for goal kicks, although the I.C.I. goalie did a good job. Final score: Essendon 9, I.C.I. 0.—Max Robinson.

UNDER 17 TRIALS

Under 17-years-of-age trials commenced this week. Next Sunday, May 23, at 1.15 p.m., the second trial will start. Ground location: South Melbourne. Clubs notified by letter. Please see the lads get along.

Keep your eye on "Soccer News" for all information on junior trials.

—J. McCarthy.

PASCOE VALE

The Under 15-years-of-age met Preston on Saturday. The game was very clean and the play up to standard, but Preston was far superior on the play. Pascoe Vale losing five goals to three.

Pascoe Vale Under 20 were defeated 3-0 by the far superior team Sunshine United. Pascoe Vale tried the bullocking tactics which was of no avail. Sunshine must be congratulated on their fine display. Mr. Adams referee-ed the game and was upset with the display of his own team, which was, as he termed it, dirty play — not playing the ball but the man. He has warned them that he won't referee them any more. So keep it clean, boys.—J. McCarthy.
